Allowable Subject Matter

1. Claims 1, 3, 5, 6, 10, 11, and 12-16 are directed to an allowable product. Pursuant to the procedures set forth in MPEP § 821.04(B), claims 17 and 18, directed to the process of making or using an allowable product, previously withdrawn from consideration as a result of a restriction requirement, are hereby rejoined and fully examined for patentability under 37 CFR 1.104.

Because all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, **the restriction requirement as set forth in the Office action mailed on 6/30/08 is hereby withdrawn.** In view of the withdrawal of the restriction requirement as to the rejoined inventions, applicant(s) are advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application. Once the restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01. Since the generic claims have been found to be allowable, all claims withdrawn as being directed to a non-elected species have also been rejoined.

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The closest prior art references of record do not disclose a polyacetal composition having a hydrazide corresponding to applicant's formula (1) in combination with an antioxidant, a processing stabilizer and a heat stabilizer of the species presently claimed, or the related improvement in decreased mold deposit and bleed out attributable to the combination of these components.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kriellion A. Sanders whose telephone number is 571-272-1122. The examiner can normally be reached on Monday through Thursday 8:30am-7:00pm.
